

URBAN POP

LEO & STEPH

Léo & Steph are a Franco-Brazilian duo passionate about pop art who like to convert everyday objects into unique and exclusive works of art.

Léo, a Brazilian living in Paris since 2008, is a graphic and interior designer who paints, molds and plays with materials and brushes.

Steph, Lyonnais, has worked in media for over 20 years. Passionate about decoration, he wants to create playful and colorful pieces.

Their first creation, *LA LOVE CUP*, a goblet sculpted in transparent solid plexiglass and delicately placed on a gold ingot made of polished aluminum, was made in collaboration with French artisans. Their works can be found in numerous private collections including that of German fashion designer Philipp Plein.
